INTRODUCTION

The Tennessee Higher Education Commission presents the sixteenth annual **STATISTICAL ABSTRACT OF HIGHER EDUCATION IN TENNESSEE**. This Abstract covers a broad quantitative range of higher education activities in the state ranging from enrollments and degrees conferred to complex analyses of the flow of student transfers among public institutions. This wide range of information should be useful to the decision makers who are involved in planning for higher education's future and to state agencies and other concerned organizations and individuals.

The data were compiled by the Commission from information supplied by institutions, higher education governing boards, the Southern Regional Education Board, the Tennessee Council of Private Colleges, and the Tennessee Student Assistance Corporation.

Special appreciation is extended to officials in the public and private institutions and agencies whose assistance and cooperation have been invaluable in the production of this Abstract.

NOTES

Diversity among institutions and changes that take place within a higher education system create comparability and procedural problems in compiling statistical data. The following notes reflect such problems for certain programs and institutions.

The University of Tennessee, Memphis and ETSU College of Medicine use procedures which are different from those used by other institutions in reporting part-time, full-time, FTE, and first-time freshman enrollment. Thus, such data are excluded from this abstract for these units.

As the College of Veterinary Medicine is funded as a separate line item in the budget, it is not included with UT Knoxville in State Appropriations (Table 46), Unrestricted Expenditures (Table 47), and Capital Outlay Appropriations (Table 51). Enrollment is, however, included with UT Knoxville.

The University of Tennessee Space Institute is a special center of the University of Tennessee, Knoxville, and in 1976 the Institute became a separate line item in the budget. The facility is treated as a separate institution in this publication.

The University of Tennessee Center for Health Sciences'name changed to the University of Tennessee, Memphis effective September 1985.

The Postsecondary Area Vocational-Technical Schools became a part of the Tennessee Board of Regents System effective July 1, 1983. Reporting of detailed data was implemented on July 1, 1984.

The State Technical Institute at Knoxville's name changed to Pellissippi State Technical Community College effective July 1988.

The Tri-Cities State Technical Institute's name changed to Northeast State Technical Community College effective July 1990.

Southwestern College's name changed to Rhodes College effective July 1, 1984.

Morristown College merged with Knoxville College in May 1988. Beginning Fall 1988, enrollment is reported at Knoxville College.

Scarritt Graduate School and Tennessee Temple University are no longer members of the Tennessee Council of Private Colleges, therefore, 1983-90 data were not reported.

AUXILIARY ENTERPRISE: Is an entity that exists to furnish goods or services to students, faculty, or staff; and that charges a fee directly related to, although not necessarily equal to, the cost of the goods or services (essentially self-supporting). Examples include residence halls, food services, college stores, parking lots, etc.

CENSUS DATE: Is the date on which all degree credit headcount and full-time equated enrollment reports are generated. For all Tennessee public institutions the census date is the 14th calendar day from the beginning of classes, including the day on which classes begin.

DEGREE CREDIT: Is credit which the institution designates as regular, occupational, or certificate, extension or co-op.

DEGREE CREDIT HEADCOUNT ENROLLMENT: Is the sum of full-time and part-time student enrollments. All tables in this abstract which refer to fall headcounts show degree credit headcount enrollment.

FULL-TIME EQUATED (FTE) ENROLLMENT: If the institution is a university, FTE enrollment is the sum of the FTE undergraduate and FTE graduate/professional enrollments. If the institution is a community college or technical institute, the FTE enrollment is the total number of degree credits taken by all students, divided by 15.

FTE GRADUATE/PROFESSIONAL ENROLLMENT: Is the total number of degree credits taken by graduate/professional students, divided by 12.

FTE UNDERGRADUATE ENROLLMENT: Is the total number of credits taken by undergraduate students, divided by 15.

FULL-TIME STUDENT: Is a student who is enrolled for 12 or more hours of degree credit.

FULL-TIME STUDENT ENROLLMENT: Is the number of full-time students enrolled.

GRADUATE SPECIAL STUDENT: Is a student who holds a Bachelor's or higher degree and is not working toward a degree, and who is not a post-doctoral student.

PART-TIME STUDENT: Is a student who is enrolled for less than 12 hours of degree credit.

PART-TIME STUDENT ENROLLMENT: Is the number of part-time students enrolled.

RESTRICTED CURRENT FUNDS: Consists of those funds expendable for operating purposes but restricted by donors or other outside agencies as to the specific purpose for which they may be expended.

SOUTHERN REGIONAL EDUCATION BOARD: An operating agency of the nation's first interstate compact for higher education, is a coalition of educators, government officials, and civic leaders interested in advancing knowledge and improving the social and economic life of the South.
